

Kick-Off-Meeting - EU Project

Climate for Culture

"Damage risk assessment, economic impact and mitigation strategies for sustainable preservation of cultural heritage in the times of climate change"

Grant agreement no.: 226973

PROGRAMME

MONDAY, NOVEMBER 9TH 2009

Morning Session

09.30-12.30

Venue: Pinakothek der Moderne, Barerstr. 40, München, Siemens Auditorium

Project Partners only

"The project: Climate for Culture"

Johanna Leissner / Ralf Kilian / Susanne Füller
Coordination, Fraunhofer Gesellschaft, Germany

Tour de Table

Short presentations of all partners

Clustering activities

Noah`s Ark - Lukazs Bratazs

SMooHS - Christian Grosse

EU Chic - Roko Zarnic

Afternoon Session (open to the public)

14.00-18.00

Venue: Pinakothek der Moderne
Barerstr. 40, München
Siemens Auditorium

Research objectives on global climate change

Chairperson: Prof. Dr. Klaus Sedlbauer, Fraunhofer Institute for Building Physics

Dr. Johanna Leissner/ Ralf Kilian

Coordinators, Fraunhofer Gesellschaft, Germany

"The project:climate for culture "

Prof. Dr. Christian Pfister

Bern University, Switzerland

"The history of climate change – from witch hunt to risk prevention"

Prof. Dr. Dario Camuffo

Consiglio Nazionale Delle Ricerche, ISAC, Padova, Italy

"The history of climate change - from instrumental observations"

Coffee Break

15.30-16.00

Prof. Dr. Daniela Jacob

Max-Planck Institute for Meteorology, Hamburg, Germany

"Global climate change and regional consequences"

Prof. Dr. Annette Menzel

Technical University, Munich, Germany

"Ecological impacts of climate change - the global footprint in nature"

Dr. Susana Mourato

London School of Economics, Great Britain

"The »Stern Report« – Economic impact of global climate change"

Dr. Andrea Tilche (tbc)

European Commission, Directorate General for Research, Brussels, Belgium

"Environmental technologies and mitigation of climate change"

Discussion

"Impact of global climate change on cultural heritage"

Evening

18.30 – 22.00

Venue: Alte Pinakothek
Barerstr. 27, München
Rubenssaal

Opening Ceremony of EC project "Climate for Culture"

Chairperson: Dr. Johanna Leissner, Fraunhofer Gesellschaft

Prof. Dr. Klaus Schrenk

Director of "Bayerische Staatsgemäldesammlungen", Munich, Germany

MdL Eberhard Sinner

former Bavarian Minister for European Affairs, Germany

Prof. Dr. Marion Schick

Vice President, Fraunhofer Gesellschaft, Germany

Dr. Andrea Tilche (tbc)

European Commission, Directorate General for Research, Brussels, Belgium

*MUSICAL PROGRAMME – THE MUNICH STRING QUARTETT
Minuets and music from the 1920ies*

RECEPTION AND BUFFET

KICK OFF MEETING - PRESENTATION AND DISCUSSION OF WORK PACKAGES OF THE PROJECT "CLIMATE FOR CULTURE"

Venue: Palais der Pinakothek
Türkenstrasse 4, München
(Johanna Leissner: mobile +49 172 20 94 398; Ralf Kilian: mobile +49172 69 73 406)

TUESDAY, NOVEMBER 10TH 2009

9.30 – 12.30 General issues of the project

Welcome and introduction (10 min)

Fraunhofer (Johanna Leissner, Ralf Kilian, Uta Meyer)

Situation of the project in context of FP7 overall research policy (20 min)

European Commission, DG Research (Michel Chapuis)

Overall financial administration & Sustainable Travelling (20 min)

Fraunhofer headquarter Munich (Walter Krause, Daniela Kronreif)

Project work plan and time schedule (20 min)

Coordinator

Management structure (20 min)

European Commission, coordinator

[Review of the Commission requirements: management structure, decision making mechanism, procedure of reporting delivery and labelling of documents, deliverables, financial and administrative coordination via reports: brief report each 6 months, complete management and activity annual report, final report, cost statements, "systematic" reporting of staff involvement for each partner, website, leaflet, links with EU research /environment programmes & projects, clustering, mid-term assessment and review(s), publication strategy & dissemination aspects: publications (leaflet, S/T publications), DVD, communication]

12.30 - 13.30 Lunch

Parallel WORKSHOPS on WORKPACKAGES

TUESDAY, NOVEMBER 10TH 2009

13.30-15.00 Parallel Workshops (only partners involved in WP)

WP1 Climate Change Scenarios Max-Planck-Institute for Meteorology	WP 2 World Heritage Sites - Case Studies Doerner Institute
---	--

15.00 - 16.00 Summary of WP 1+ 2 (all)

16.00-17.30 Parallel Workshops (only partners involved in WP)

WP 3 Hygrothermal Building Simulation Fraunhofer Institute for Building physics	WP 6 Economic Impact London School of Economics
---	---

WEDNESDAY, NOVEMBER 11TH 2009

9.00-10.00 Summary of WP 6+3 (all)

10.00-11.30 Parallel Workshops (only partners involved in WP)

WP 4 Damage Assessment Jonathan Ashley-Smith	WP 9 Dissemination Fraunhofer
--	---

11.30 - 12.30 Summary of WP 9+4 (all)

12.30 – 13.30 Lunch

13.30 – 15.00 Parallel Workshops (only partners involved in WP)

WP 5 Climate Change Impact on movable and immovable Cultural Heritage CNR Institute of Atmospheric Sciences and Climate	WP 10 Training Activities University of Ljubljana, Faculty of Civil and Geodetic Engineering
---	--

15.00 – 16.00 Summary of WP 10+5 (all)

THURSDAY, NOVEMBER 12TH 2009

9.30 -11.00 Parallel Workshops (only partners involved in WP)

WP 7 Mitigation, Adaptation and Preservation Strategies Czech Technical University, Faculty of Mechanical Engineering	WP 8 Analysis and Decision Support System University of Zagreb, Faculty of Civil Engineering
---	--

11.00 -12.00 Summary of WP 7+8 (all)

12.00 - 13.30

Summary of next actions (what, who, by when) & expected deliverables

Coordinator

[Presentation, discussion and agreement on the actions during the 1st period and especially until next meeting]

Dates and meetings, AOB

(Fraunhofer + all)

13.30 LUNCH (OPTIONAL) AND FAREWELL
