

Climate for Culture

FORTH

Foundation for Research & Technology - Hellas

Agenda 5th Annual Meeting in Crete

“Presentation, discussion and integration of the progress of CfC project: identifying the gaps and how to achieve the final deliverables and milestones”

23 – 27 September in Heraklio, Crete (Greece)

Venue

FOUNDATION FOR RESEARCH AND TECHNOLOGY
INSTITUTE OF ELECTRONIC STRUCTURE AND LASER
N. PLASTIRA 100, VOUTES, 71 113 HERAKLION CRETE, GREECE
(AMPHITHEATRE Georgios Lianis)

Participants

Monday 23 September 2013: Mandatory for the Core Group members but open to all partners
Tuesday-Friday: Mandatory for all partners

Monday September 23, 2013

10:00 – 16:30 including 2 coffee breaks and lunch

Strategic meeting to finalize the “end products”:

Moderators: Tor Broström, Tomas Vyhldal & Johanna Leissner

Morning

Short introduction by Tor Broström

- Short review on the Status of WP progress
- data base and climate for culture software
- damage functions
- high resolution climate and risk maps
- economic impact (surveys)

Short Introduction on WP7 Expert System by Tomas Vyhldal

Workshop

- Work in small groups on typical damages and effects in historic buildings
- Typical mitigation solutions
- Economic impact of solutions / Preventive Conservation

Afternoon

- Synthesis / presentation of results
- Definition of further steps

Climate for Culture

Tuesday September 24, 2013

Start 9:30 – 18:00 including 2 coffee breaks, lunch

Block 0 – 1,5 h

Welcome and Overview on CfC – Coordinator Fraunhofer
(Commission changes, budget, conferences, workshops, final meeting, political dimension, publications)

Stakeholder Workshop at Ham House
Summary and Review by NT

Climate for Collections Conference
Summary and review and prospects by JAS and Doerner

Block 1 – CASE STUDIES – 2 h

Finalization of the case studies and state of the art of the database
– Doerner (30 min), TUE (30 min);
State of the Measurement campaigns – T/rH, solar radiation TUE (30 min)
Experimental Monitoring FORTH; (30 min)

Block 2 – SIMULATION – 2 h

Climate modelling, sea level rise and high resolution climate maps and fact sheets – MPI (45 Min);
Building simulation, whole building simulation, inverse modelling and transfer functions including generic buildings and real buildings Fraunhofer (45 Min) / implications for online analysis – TUE (30 Min)

19:30 Official welcome reception at FORTH view veranda (all participants invited)

Wednesday September 25, 2013

9:30 - 18 h including 2 coffee breaks and lunch

Block 3 – IMPACT ASSESSMENT – 2 h

Damage functions and materials degradation – JAS (30 min);
Climate risk maps – CNR (30 min);
Economic cost benefits and surveys – LSE (30 min)

Block 4 – RESPONSES TO CLIMATE CHANGE – 2 h

Adaptation and Mitigation - CTU (30min)
Energy Efficiency measures - HGO (30 min);
CfC Software – UniZAG (30 min)

20:00 Dinner at “KIPOS TON GEYSEON” (by participation through Congress travel agent)

Climate for Culture

Thursday September 26, 2013

10:00 – 16:30 including 2 coffee breaks and lunch

Block 5 – TRAINING, EDUCATION and DISSEMINATION – 2 h

Curriculum for Master Programme – UNI LJ (30 min)

Synthesis of PhD activities – Fraunhofer and all (30 min)

Workshop at INP in January 2014 (30 min)

Draft agenda and outline, date, participants

Dissemination activities – Fraunhofer and all (30 min)

(Which publications are planned, final meeting in Munich 23-27 June 2014, who is going to participate in which conferences, next EWCHP clustering meeting – who will organise it? production of a leaflet and video clip for the final meeting, who will be invited to the final meeting? Programme?) Internal Workshop at MPI Met?

Block 6 – ADMINISTRATION – 1 h

Changes in the DoW, budget shifts: Fraunhofer and all

Friday September 27, 2013

10:00 – 16:30 including 2 coffee breaks and lunch

Summary – and to Dos

Any other business

Team building

Lab tour at FORTH

Poster session and press conference

18:00 FORTH Researchers' Night (open for CfC participants)

Saturday September 28, 2013

Departure/or optionally a visit to Santorini (private trip)
